

SALT LAKE

Inspired by the fascinating salt ponds, this collection stands out for the contrast of tones and the fluidity of the oxidized color details, which gives the product a remarkable personality.

The extraordinary color composition of the salt flats changes with the seasons of the year, due to the presence of natural elements that a multiplicity of light tones in early spring, which darken in autumn-winter and become beautiful earthy patterns in summer.

The pieces stand out for their tonal richness and visual textures that beautiful compositions.
